The screenshot shows the IBM Cognos Analytics with Watson homepage. At the top, there is a navigation bar with the title "IBM Cognos Analytics with Watson", a search bar, and user profile icons. Below the navigation bar, a maintenance notification states: "Maintenance: Scheduled maintenance completed. Click More Info for details and to subscribe to future events". The main content area features a large banner with the text: "You can get started right away by taking a look at our introduction video, product tour and Getting Started tab." Below this banner are two buttons: "Watch video" and "Take a product tour". To the right of the banner is a 3D visualization of data cubes. Below the banner, there is a "Quick launch" section with four tiles: "Upload data" (Upload or drag and drop spreadsheets, csv files, and other data sources.), "Prepare data" (Use data modules to clean and connect data from multiple resources.), "Exploration" (Quickly find unbiased answers by identifying trends in your data with data explor...), and "Present data" (Create sophisticated, multi-page, multi-query dashboards, reports, or stori...). The bottom of the page shows a Windows taskbar with various application icons and a system tray displaying the date and time as 08:06 PM 16-11-2022.
